MANAGEMENT

# e-TAG

## An overview

# e-TAG<sup>®</sup>

## Cash-free travel through Australian tollways

---

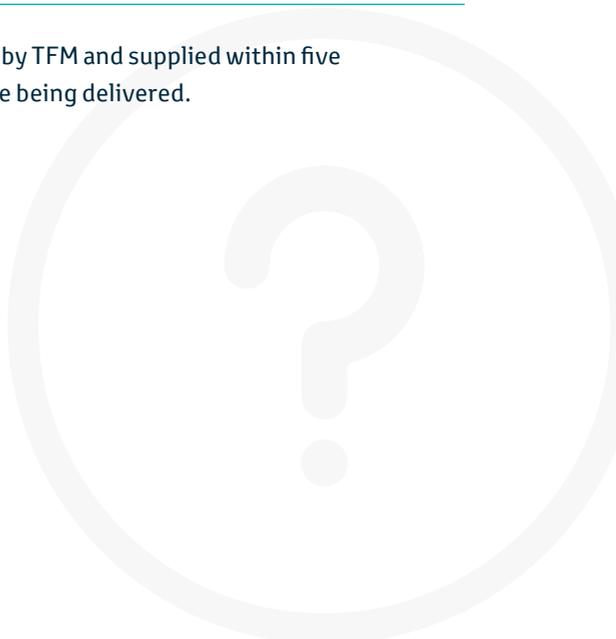

e-TAG is the simple way to travel through tollways, saving you time and administration costs.

Take advantage of Toyota Fleet Management's (TFM) partnership with Transurban Limited, who can supply and manage e-TAGs for your fleet, right across Australia. We take the hassle out of managing e-TAGs by ordering and administering e-TAGs on your behalf, with expenses detailed on your monthly TFM invoice.

## How does it work?

---

The tag is automatically ordered by TFM and supplied within five business days of your new vehicle being delivered.

## Features and benefits

### Save time and money:

- Eliminate administration of managing tags and driver reimbursements
- Costs applied to your monthly invoice
- No up-front tag fee.\*

### Simple and convenient:

- Cash-free travel through tollways
- One electronic device for Australia-wide tolls
- Latest small, slim design
- Manage expenses efficiently with monthly invoice, payable after travel.

### Detailed reporting:

- Identify business and private use with customisable reporting
- Analyse business use and trends with detailed graphs
- Customise exceptions on exceeding business use limits.

### Like to find out more?

For more information on TFM e-TAGs, contact your TFM Relationship Manager, or call us on **1300 888 870**.

\*Upon cancellation of the e-TAG, a tag fee will be charged to your monthly invoice. If the tag is returned to and received by TFM within 30 days of cancellation, a tag fee credit will be applied to your invoice.

e-TAG is a registered trade mark of CityLink Melbourne Limited ABN 65 070 810 678.  
Transurban and CityLink are registered trade marks of Transurban Limited ABN 96 098 143 41.
