Relief vehicle An overview

Relief vehicle

Getting your drivers back on the road as fast as possible

A Toyota Fleet Management (TFM) relief vehicle ensures your drivers won't be without a vehicle, should the unforeseen arise.

How does it work?

If the driver's allocated vehicle is unfit for normal use for longer than 24 hours due to mechanical fault or breakdown, TFM will supply a suitable relief vehicle until the allocated vehicle is repaired (for an agreed period of time).*

Features:

- Nationwide coverage
- Costs are incorporated into your monthly payment
- Access to a broad range of vehicles, including:
 - Passenger
 - Light commercial utes and vans
- No kilometre restriction.

Benefits:

- Reduced downtime as your staff can be back on the road sooner
- No surprises as the relief vehicle cost is covered in your monthly invoice[#]
- You save time because we make all alternative arrangements for you.
